Transportation Options

By Air: Fly to Boston Logan International Airport (BOS). A taxi from the airport to the campus will cost approx. \$40 and take about 30 minutes or so, depending on traffic and time of day. A taxi to the hotel will cost about \$65.

Public Transportation (the MBTA, or the "T") from the airport to the Brookline Area. From your terminal, take the MBTA bus to the Airport Station on the Blue Line. Take the Blue Line inbound to Boston. Transfer at the State Street Station to the Orange Line to Forest Hills, getting off the train at Forest Hills Station (the end of the line). This will cost \$2 and take about 40 minutes. There are almost always taxis at this station, charging about \$8-10 to the campus.

or:

You can take the Blue Line to Government Center. Transfer to the Green Line D train, and get off the train at Brookline Village. This, too, will cost \$2. The Green line is a little slower and finding a taxi at Brookline Village is a little harder, but the cost is also about \$8-10.

By Train: Along the Northeast Corridor, Amtrak runs to Westwood/Rte 128 outside Boston, which places you in the vicinity of the hotel.

or

Take Amtrak to Boston's Back Bay Station. From there you can either take the Orange Line to Forest Hills (the Back Bay Station is also an Orange Line stop) and follow the above information.

Or you can take a taxi to the campus, about \$15-20. If you need guidance on reaching the campus from either Boston's South Station or North Station, please contact the Department.
